EXPERIENCE

Frontend Developer / Co-Owner

Studio Klein

July 2020 - Present, Toronto

- Led the implementation of revenue-enhancing features for diverse client e-commerce stores, resulting in a remarkable 15.5% increase in additional revenue through strategic upsell features.
- Spearheaded initiatives to enhance site speed and overall performance, achieving substantial reductions in page load times and contributing to an improved user experience.
- Collaborated closely with cross-functional teams to ensure seamless integration of features and optimization of website performance.
- Leveraged technical expertise to deliver pixel-perfect and responsive user interfaces, enhancing engagement and user retention.
- Implemented and customized Shopify Apps, such as subscriptions, email marketing, bundling, live chat, and bulk editing, to meet specific merchant requirements.
- Successfully oversaw the migration of e-commerce stores from Wix and Squarespace to the Shopify platform.

Web Development Teaching Assistant

BrainStation

June 2019 - April 2020, Toronto

- Led students to success by pointing out flawed logic in projects and helping focus them in technical areas not covered in class.
- Mentoring students of best practices in code organization and helping them refactor inefficient code.
- Facilitated discussions and addressed student queries through pod sessions, and in daily open studios.
- Created and facilitated mini code-alongs to reinforce concepts introduced in class.
- Marked student's weekly assignments and provided valuable feedback.
- Created daily challenges and white-boarding questions to assist with learning and understanding the current week's topic.

Fund Accountant

CIBC Mellon

April 2018 - March 2019, Toronto

- Ensured accuracy of a fund's trades, cash transactions, corporate actions, and verified correct pricing securities to properly calculate the value of the fund portfolio.
- Audited work performed by team members for the department to ensure accuracy and compliance with department and client instructions.
- Calculated daily income accruals, expenses, interest, and dividend payments for each Fund. Ensured proper postings to the Fund and analyzed daily changes in compliance with client exception tolerances.
- Prepared daily and monthly distribution reports for clients as well as reinvestment calculations.
